## İki rengin aşkı

ZEN, yepyeni bir koleksiyona daha imzasını atıyor. **Siyah&Beyaz...**

Birbirinden bu kadar farklı, birbirine bu kadar aşık iki renk, pırlantanın sonsuz ışıltısıyla buluşuyor.

**Beyaz**'ın asil saflığı, **Siyah**'ın gizemli cazibesine karışıyor. Hasan Kale tarafından tasarlanan bu çok özel koleksiyonda, pırlantaya onix, beyaz süt opal ve tay tüyü eşlik ediyor.

## The love of two colors:

A brand new collection introduced by ZEN, **Black&White.**

Two colors so different and apart yet so in love, meet the eternal glitter of diamond. The noble purity of **White** blends into the mysterious allure of **Black.**

This exclusive collection created by Hasan Kale introduces onyx, white opal and colt hair to diamonds.
